

Want to know more about Utah's Wetlands
and how to teach this to your

4th grade class? Come to a

Utah's Wonderful Wetlands Workshop!

©2002 Zebony Zlinick

When: April 12th & 13th, 2004, 4-8:30 pm each night

Where: Salem School, Nebo School District (140 W 100 S, Salem)

Who: 4th grade teachers and other teachers interested in natural resources

Why: Learn activities that meet core requirements to help teach your class about wetlands!

Credit: 1 USU graduate credit (additional \$15); OR Certificate for relicensure points with attendance at workshop and completion of homework.

Workshop topics:

What is a wetland?

What types of wetlands are in Utah,
and where are they?

What lives in a wetland?

How are these organisms interconnected?

Why should you care about wetlands?

Standards met by workshop: Standard V, Objectives 1-4

Registration: To register, please return bottom portion of this form and **\$15** to:
Gabrielle Morey, Utah Division of Wildlife Resources, P.O. Box 146301, Salt Lake City,
Utah 84114-6301. Make checks out to UDWR. Registration must be submitted **before**
April 6, 2004. You are considered registered for this workshop with the receipt of this
form and fee. Questions? Call Gabi, Wetlands Education Program Coordinator at (801)
538-4874 or e-mail her at gabriellemorey@utah.gov.
